

2018-2019 Faith Formation (RE) Enrollment

August 7—August 30, 2018

On-line enrollment for faith formation (RE) classes will begin on Tuesday, August 7, 2018. Priority will be given to families that registered in the PARISH prior to **July 31, 2018**. Those who registered in the parish later than the **July 31st** date will be placed on a wait list. Log onto www.churchdb.com/austin to see if you can access the system. You will not be able to enroll yet, but you can check to see if you have a current email address on file in preparation for when the enrollment opens in August.

STEP 1: HOW TO GET A USER ID & PASSWORD

Please skip to step #2 if you already have your ID and password.

Go to www.churchdb.com/austin
Microsoft Internet Explorer works best

Retrieve user ID and password by clicking on the yellow “CLICK HERE” box. Type in your email address, first name, middle name, then click on the small round circle to indicate that you are listed as the head of the household on your church registration. Then click on “SUBMIT”.

Log onto your personal email to retrieve your user ID and password. Depending on your e-mail settings, the e-mail may go into your bulk mailbox.

NOTE: If you do not receive an email from ChurchDB and your spouse has a different e-mail address, try his/her e-mail address and name as well. Also if you go by a nickname, be sure to try your full first name (e.g. Try Joseph even if you go by Joe).

Open your email from support@churchdb.com, take note of your user ID and password, and follow the link at the bottom of the e-mail to log in or go directly to www.churchdb.com/austin.

NOTE: If you do not receive a user ID and password, you do not have either 1) a current parish registration or 2) a current email address on file with the church. Contact religionseducation@saintwilliams.org for help with the database.
