Jesus is Lord is the first step to developing the faith of an *adult*. Learn how to apply your faith to real life and all the complexities of adult experience.

This is not another class, it is an *encounter with Christ*. We must come to know him more deeply, and allow him to change our hearts—then we can take that message to the world.

Our faith is about *relationship*. With the Father, through Jesus, in the Holy Spirit.--If we don't get that, then our Catholic faith will always remain just a set of rules, or an interesting set of teachings, but it will not tie together.

No matter where you are on your spiritual walk with Christ, the Adult Faith Formation program is for you.
